Charlie's grandfather cleaned clothes for years so that his son, Charlie's father, Charles Crist, Sr., could go to college and become a doctor, ultimately raising four kids in America's middle class, including Charlie, who was born in 1956. When Charlie was three, his parents moved to St. Petersburg.

Creeping charlie has a small purple flower. The creeping charlie plant is most easily identified by its growth habit. It is a vine that grows close to the ground and will form a mat-like ground cover if allowed to. The vines have nodes at each of the places where leaves grow and these nodes will form roots if they come in contact with the soil.
