French Chic Living Simple Ways

Maison de Cinq. The fireplace in this living room from Sheila at Maison de Cinq has classic American bones, but details like recognizably French armchairs upholstered in simple white fabric, a vintage sideboard with a whitewashed patina, and a mirror and jumble of paintings with gilded frames are some of the details that help channel the French country living room vibes.

French decor can be super elegant and over-the-top, but when you mix it with “country”, it’s a lot more warm, laid-back, and simple. French Country originates from the “rural valleys of southern France” (source), so if you think French Country is grand and ornate, you are probably thinking of Parisian styles, like this.

Simple ways of doing this are to make sure doors and windows are closed in the cool weather and open in the heat. You may also like to invest in additional insulation in your walls, roof, and floor. A product that will cost you in the short term but can save you a significant amount on day-to-day heating bills over the longer term.

3 Simple Ways To Save Money In Your Day-To-Day Life ...

The French lifestyle is all about living a simple life. Indeed, life in France doesn’t revolve around work, money, or having the nicest and most expensive things. Instead, it’s all about enjoying the best moment in life, whether it’s through social gatherings, amazing food, art, fashion, or architecture.

Lighting has the ability to set a mood, make a small space appear larger, and illuminate a color scheme. Consider swapping existing bulbs with LED versions to brighten a dark living room. Other simple ways to update your living room lighting include trading lampshades, painting the base of a floor lamp, or incorporating a new ceiling fixture.

Little Ways to Update Your Living Room | Better Homes ...

Although you might love your home, you can sometimes get bored of it. You might have been living there a long time and you feel like it looks a bit outdated. Or perhaps you’re unsure whether to move elsewhere or to try and give your current home a makeover first. Making some changes to your home could help you to fall in love with it again.

The Best Ways to Give Your Home a Big Makeover - Shabby ...

Oversized Elements. When it comes to new and vintage shabby chic furniture, upholstery pieces tend to assume large, roll-arm silhouettes, while case pieces and tables lean towards slenderer French Provincial or shaker styles. You might think the flowery French style or simple shaker style would be upstaged by oversized seating, but because these pieces are often slipcovered, they manage to ...

There’s a new haircut on the block—and it turns out it’s not new at all. While the classic bob and blunt lob have seen their fair share of the attention recently, it’s the new shag that’s taking over salons everywhere. Before you lose yourself flashing back to Stevie Nicks, Jane Fonda, David Cassidy, and Mick Jagger with their choppy shag cuts, we want you to instead envision a new, more ...
