My manual is for 21A and it shows a different bobbin winder with the transmission control on it, mine is different but I do have the same apparent 2 speed transmission as I find pictured in the 21A manual. On the Husqvarna plate on back of my machine it simply says Husqvarna Viking 21. Do all 21 series machines have the 2 speed feature?

The manual, however, advises that the mowing time “should be set to minimize wear on the lawn and the product.” Since my mowed area is about half the mower’s capacity, I went with the manual’s recommendation on mowing time. It is possible that it took the mower a little longer to learn the lawn, but I can live with that.
