## **Lifesaving; Rescue and Water Safety | eBay**

Lifesaving is the act involving rescue, resuscitation and first aid. It often refers to water safety and aquatic rescue; however, it could include ice rescue, flood and river rescue, swimming pool rescue and other emergency medical services. Lifesaving also refers to sport where lifesavers compete based on skills, speed and teamwork.

Every year, approximately five people lose their lives while attempting to rescue someone in trouble. While it may seem counter-intuitive, your own personal safety should remain paramount in any rescue situation. People in difficulty are often in a state of panic and could easily drag you underwater in their attempt to stay afloat.
