Accountability differs largely between public and private organisations.

# Get Free Managing In The Public Sector A

Managers in public organisations are accountable to a much larger group of people – everyone in the governed area – and are always under public scrutiny. Such a strong and palpable public influence plays a significant role in their decisions.

## **The Difference Between Public And Private Sector Management**

# Get Free Managing In The Public Sector A

Public sector human resource management is the application of human resources principles to the public sector. The practice of public sector human resource management includes tasks like the recruitment of employees, the training of employees, the remuneration of employees and the ongoing evaluation of employees.
