Walkman (stylized WALKMAN) is a brand of portable audio players manufactured by Sony. The original Walkman, released in 1979, was a portable cassette player that allowed people to listen to music of their choice on the move. Its popularity made "walkman" an unofficial term for personal stereos of any producer or brand. By 2010, when production stopped, Sony had built about 200 million cassette ...

Walkman - Wikipedia

A Sony Dream Machine is Sony Electronics' line of clock radios. These models range from standard AM/FM radios that deliver the time and play music over the airwaves to more technologically advanced designs that can be used with iPods and iPhones.
