A Task-based approach Task -based learning offers an alternative for language teachers. In a task-based lesson the teacher doesn't pre-determine what language will be studied, the lesson is based around the completion of a central task and the language studied is determined by what happens as the students complete it.

## **A Task-based approach | TeachingEnglish | British Council ...**

The advantage to task based instruction over traditional grammar instruction is that accomplishing a language task is more like real life language situations than performing grammar exercises. This type of instruction stresses communication, using language to reach a goal, and using the language we know to accomplish a task is what real life language use is about.

## **Lesson Plans - TBLT**

Task-based Learning (TBL) is a TESOL approach that has roots in the Communicative Language Teaching method, where the teaching process is done entirely through communicative tasks. In order to fully acquire language, it must have real meaning by being used in natural contexts. With Task-based Learning, teachers ask students to complete purposeful tasks that elicit the use of the target language.

### **Vocabulary and Grammar Lesson Using The ... - ESL Lesson Plans**

Task-based lessons are those where the activity is focused as much (if not more) on the accomplishment of a real life task as on the language being used for it. Well-known second language acquisition scholars Bill VanPatten and Rod Ellis both argue strongly for tasks being the most successful way of generating acquisition.
