action to some rule or law.

## **deontological ethics | Definition, Meaning, Examples ...**

An example of a deontological theory includes Aquinas' Natural Moral Law, since it proposes a set of key 'primary precepts' and appeals to our duty to follow these, regardless of the situation

## Read Book Teleological And Deontological Theories

we may be in; for example the rule that we must always act to 'preserve life' - i.e. to not kill. A teleological theory, on the other hand, looks to the consequences or 'end' of an action to determine whether it is morally right.

**What is the difference between deontological and ...**

## Read Book Teleological And Deontological Theories

Utilitarianism and situation ethics are teleological approaches. Deontological ethics are only concerned with the moral law, or duty, that makes a particular action right or wrong regardless of the consequences (Bowie et al, 2008, p.4). Natural moral law and divine command theory are some of the deontological approaches.
