International Finance Theory and Policy is built on Steve Suranovic's belief that to understand the international economy, students need to learn how economic models are applied to real world problems. It is true what they say, that "economists do it with models." That's because economic models provide insights about the world that are simply not obtainable solely by discussion of the issues.

A Beginner's Guide to Facebook Insights

Many e-books at academic libraries have digital rights management (DRM) systems that restrict and complicate the downloading to tablets so much that some users avoid reading the e-books at all. On some e-book platforms, you have to use Bluefire Reader for downloading books, even if you're an Android user, which is not ideal.
