The Children's ADHD Skill Packet was created to accompany The Kangaroo Who Couldn't Sit Still. After reading the story, use this packet to teach children and their caregivers how to practice the same skills used by Kangaroo. The information in the Children's ADHD Skill Packet will largely be implemented by parents and caregivers, but the packet is written at a level appropriate for children, allowing them to follow along.

The ADHD Workbook for Kids: Helping Children Gain Self ...

Eric's thoughts on homework: Homework between therapy sessions is like the peanut butter and jelly between the two slices of bread. If you're really hungry, the two slices of bread will do, but it's going to be a whole lot more satisfying if you have something to put between those two slices of bread.
