...

You can also open an administrative Command Prompt using just the Start menu (or Start screen in Windows 8). Hit Start, type "command," and you'll see "Command Prompt" listed as the main result. Right-click that result and choose "Run as administrator." Option Three: Use the Run Box. If you're used to using the "Run" box to open apps, you can use that to launch Command Prompt with admin privileges. Press Windows+R to open the "Run" box.
